

PPWR Declaration of Conformity

Declaration Identification Number: PPWR/NY/5

Subject: Declaration of compliance with the applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

BCL Kft. hereby declares that, based on the raw materials used in the manufacture of the products it manufactures and supplies, as well as the known composition of those products, the following Declaration of Conformity can be issued.

1. PFAS Compliance

BCL Ltd. declares that the products do not contain intentionally added per- and polyfluoroalkyl substances (PFAS).

Based on the available raw material composition information, suppliers' declarations of conformity, and Safety Data Sheets (SDS), the products do not contain any constituents that would prevent compliance with the applicable PFAS requirements of the PPWR.

2. REACH and SVHC Compliance

The products comply with the applicable requirements of Regulation (EC) No. 1907/2006 (REACH).

Based on the information available to BCL Ltd., the products do not contain Substances of Very High Concern (SVHC) under the REACH Regulation at concentrations exceeding 0.1% by weight (w/w).

3. Heavy Metal Compliance

No raw materials containing lead (Pb), cadmium (Cd), mercury (Hg), or hexavalent chromium (Cr(VI)) are intentionally used during the manufacture of the products.

Based on the manufacturers' declarations, Safety Data Sheets, and technical documentation relating to the raw materials used, the products comply with the maximum combined concentration limit of **100 mg/kg** for lead (Pb), cadmium (Cd), mercury (Hg), and hexavalent chromium (Cr(VI)) as specified in Regulation (EU) 2025/40.

4. Basis of this Declaration

This Declaration is based on the following documentation and information:

- Safety Data Sheets (SDS) of the raw materials used;
- Suppliers' Declarations of Conformity;
- Suppliers' technical data sheets;
- The known composition of the products;
- BCL Ltd.'s product development and quality management documentation.

5. Laboratory Testing

At present, no separate test reports issued by an accredited laboratory for PFAS, SVHC, or heavy metal analyses are available for the products.

This Declaration is based on the documented compliance of the raw materials used, suppliers' declarations, Safety Data Sheets, and the known composition of the products.

Should specific customer requirements or applicable legal regulations make such testing necessary, accredited laboratory testing may be carried out upon separate request.

6. Declaration

BCL Ltd. declares that, based on the technical, regulatory, and supplier information available at the time of issuance, the products manufactured and supplied by the Company:

- do not contain intentionally added PFAS compounds;
- do not contain SVHC substances under the REACH Regulation at concentrations exceeding 0.1% by weight (w/w);
- comply with the heavy metal limits specified in Regulation (EU) 2025/40 (combined concentration of Pb + Cd + Hg + Cr(VI) not exceeding 100 mg/kg), based on the available raw material information.

This Declaration is based on the information available at the date of issue and applies exclusively to the products in their original, unmodified condition.

Place and Date of Issue: Székesfehérvár, 30 June 2026
